MARKET DAYS

We are once again participating in [InTown Concord's Market Days](#)! This year, we will take part in Market Days' first Touch-A-Truck event. Friday, June 26th, from 10:00am to 4:00pm, we will have two of our equipment vehicles on display alongside our promotional table where you can get one of our goody bags, enter into our prize raffle, and get some of our brochures. We have also updated our golf hole for the three day event (6/25-6/27)! Be sure to come and say hello!

Over 376 tons of leaves were collected and will be recycled into compost. Although collection has ended, residents can still bring leaves to Earth Materials Recycling Center.
